HOW IT WORKS

CrappieNOW provides outreach to the crappie community through its multimedia content. We are a resource for crappie clubs, tournament anglers, and most importantly, recreational crappie anglers.

1. ONBOARD

The KMS Team and the client will meet to understand the sponsor's brand and discuss the advertising process.

2. PLAN

We will meet with the client monthly to strategize the upcoming month's content. This involves creating media & receiving sponsor media.

3. EXECUTE

Once the sponsor has approved the content, KMS will make a schedule and oversee the performance throughout the month.

4. ENGAGE

The KMS team will engage with the client's audience on posts and boost the highest performing post(s).

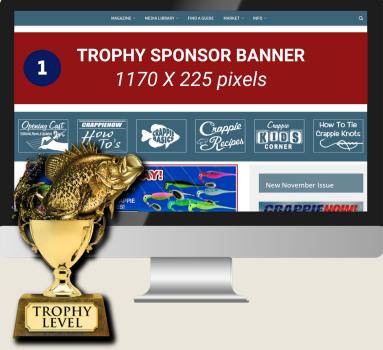

5. EVALUATE

We will provide an analytics report to the client and use the data to plan next month's advertising content.
